Personal responsibility is of paramount importance in attempting to prevent the spread of COVID-19. All persons should follow the Centers for Disease Control and Prevention (CDC) recommended guidelines to protect themselves from exposure to COVID-19 and to protect the public from further community spread. When individuals leave their places of residence, they should maintain at least six-foot social distancing from individuals who are not members of their family or who do not reside with them. People are encouraged, but not required, to wear appropriate face coverings.

9. Taylor County hereby adopts and incorporates herein Governor Greg Abbott's Executive Order GA-23, in which the Governor provides as follows:

For the Covered Services listed above with limits based on "total listed occupancy," the total listed occupancy limits refer to the maximum occupant load set by local or state law, but for purposes of this executive order, staff members are not included in determining operating levels except for non-CISA manufacturing service providers and non-CISA

Notwithstanding anything herein to the contrary, the governor may by proclamation identify any county or counties in which Covered Services other than CISA services and religious services are thereafter prohibited, in the governor's sole discretion, based on the governor's determination in consultation with medical professionals that only CISA services and religious services should be permitted in the county, including based on factors such as an increase in the transmission of COVID-19 or in the amount of COVID-19-related hospitalizations or fatalities.

In providing or obtaining Covered Services, all persons (including individuals, businesses and other organizations, and any other legal entity) should use good-faith efforts and available resources to follow the minimum standard health protocols recommended by DSHS, found at www.dshs.texas.gov/coronavirus. All persons should also follow, to the extent not inconsistent with the DSHS minimum standards, the Guidelines from the President and the CDC, as well as other CDC recommendations. Individuals are encouraged to wear appropriate face coverings, but no jurisdiction can impose a civil or criminal penalty for failure to wear a face covering. Nothing in this executive order or the DSHS minimum standards precludes requiring a customer wishing to obtain services to follow additional hygiene measures.

Religious services should be conducted in accordance with the joint guidance issued and updated by the attorney general and governor. Nothing in this executive order, the DSHS minimum standards, or the joint guidance issued and updated by the attorney general and governor precludes churches, congregations, and houses of worship from using school campuses for their religious services or other allowed services.

Except as specifically allowed above, people shall avoid visiting interactive amusement venues such as video arcades, amusement parks, or water parks, unless these enumerated establishments or venues are specifically added as a Covered Service by proclamation or future executive order of the governor. Notwithstanding anything herein to the contrary, the governor may by proclamation add to this list of establishments or venues that people shall avoid visiting. To the extent any of the establishments or venues that people shall avoid visiting also offer Covered Services permitted above, such as restaurant services, these establishments or venues can offer only the Covered Services and may not offer any other services.

This executive order does not prohibit people from accessing Covered Services or engaging in safe daily activities, such as going to the grocery store or gas station; providing or obtaining other Covered Services; visiting swimming pools, parks, beaches, rivers, or lakes; hunting or fishing; attending youth club meetings or events; or engaging in physical activity like jogging, bicycling, or other outdoor sports, so long as the necessary precautions are maintained to reduce the transmission of COVID-19 and to minimize in-person contact with people who are not in the same household.

In accordance with the Guidelines from the President and the CDC, people shall not visit nursing homes, state supported living centers, assisted living facilities, or long-term care facilities unless to provide critical assistance as determined through guidance from the Texas Health and Human Services Commission (HHSC). Nursing homes, state supported living centers, assisted living facilities, and long-term care facilities should follow infection control policies and practices set forth by the HHSC, including minimizing the movement of staff between facilities whenever possible.

In accordance with the Guidelines from the President and the CDC, schools shall remain temporarily closed to in-person classroom attendance by students for the 2019-2020 school year, except for the following:

1. Public education students (accompanied by an adult if needed) may, as allowed by the school consistent with the minimum standard health protocols found in guidance issued by the Texas Education Agency (TEA), visit his or her school campus (a) for limited non-instructional administrative tasks such as cleaning out lockers, collecting personal belongings, and returning school items like band instruments and books; or (b) for graduating seniors, to complete post-secondary requirements that cannot be accomplished absent access to the school facility and its resources, excluding any activity or assessment which can be done virtually.
2. Beginning June 1, 2020, public school districts may offer, and public education students may accordingly visit school campuses for, in-person classroom instructional activities and learning options, such as summer school programs, special education evaluations, specialized assessments, and individualized tutoring, under the minimum standard health protocols found in guidance issued by the TEA.
3. Public education teachers and staff are encouraged to continue to work remotely from home if possible, but may return to schools to conduct remote video instruction, to perform administrative duties, and, beginning June 1, 2020, to provide in-person classroom instructional

activities and learning options as permitted and offered by school districts, under the minimum standard health protocols found in guidance issued by the TEA.

4. Private schools and institutions of higher education may reopen campuses and are encouraged to establish similar standards to allow students, teachers, and staff to return to schools for the limited purposes set forth above.
5. Notwithstanding anything herein to the contrary, schools may conduct graduation ceremonies consistent with the minimum standard health protocols found in guidance issued by the TEA.

This executive order, as it pertains to cosmetology salons, hair salons, barber shops, nail salons/shops, and other establishments where licensed cosmetologists or barbers practice their trade, is retroactive to April 2, 2020, to the extent necessary to supersede and nullify the existence of any prior or existing state or local executive order, the violation of which could form the basis for confinement in jail. To the extent any order issued by local officials in response to COVID-19 would allow confinement in jail of a person inconsistent with this executive order or any prior state executive order, that order is superseded retroactive to April 2, 2020.

All existing state executive orders relating to COVID-19 are amended to eliminate confinement in jail as an available penalty for any violation of the executive orders. No jurisdiction can confine a person in jail as a penalty for violating any executive order, or any order issued by local officials, in response to the COVID-19 disaster. To the extent any order issued by local officials in response to the COVID-19 disaster would allow confinement in jail, that order is superseded, and I hereby suspend all relevant laws to the extent necessary to ensure that local officials do not confine people in jail for violating any order issued in response to the COVID-19 disaster. This amendment and suspension operates retroactively to April 2, 2020, and supersedes any contrary local or state order.

This executive order shall supersede any conflicting order issued by local officials in response to the COVID-19 disaster, but only to the extent that such a local order restricts Covered Services allowed by this executive order, allows gatherings prohibited by this executive order, or expands the list or scope of Covered Services as set forth in this executive order. I hereby suspend Sections 418.1015(b) and 418.108 of the Texas Government Code, Chapter 81, Subchapter E of the Texas Health and Safety Code, and any other relevant statutes, to the extent necessary to ensure that local officials do not impose restrictions in response to the COVID-19 disaster that

are inconsistent with this executive order, provided that local officials may enforce this executive order as well as local restrictions that are consistent with this executive order.

10. In the event the Governor of the State of Texas amends his Executive Order GA-23, this Declaration and Order is automatically amended without further Commissioners' Court action to reflect said amendments to the Governor's Executive Order. It being the express intent of the Commissioners' Court and this Declaration and Order to follow the Governor's Executive Order.

The County Judge is authorized without further Commissioners' Court action to enforce the provisions of Executive Order GA-23, any subsequent executive orders, and any local orders that are consistent with the Governor's orders to the fullest extent allowed by law, including, but not limited to, using the Taylor County Sheriff's Office, Constables, or other County Departments to enforce the orders.

After cessation of this emergency and state of disaster, the County Judge shall provide the Commissioners' Court a list of all actions taken under this paragraph.

 - (a) Close, including closure to the public, of any County offices, facilities, or properties, and any parks, playgrounds, or playground equipment located in the areas covered by this Resolution; and
 - (b) Provide county services by means other than in-person delivery, such as accepting permit applications online or by mail only, and/or to cease any county services that are not required by state or federal law.
16. That any rules or regulations of Taylor County, Texas, that conflict with this Resolution are hereby suspended, such suspension to remain in effect until the state of disaster is terminated or until there is a subsequent Resolution of this Court, whichever occurs first.
17. That pursuant to Section 418.020(d) of the Texas Government Code, Taylor County is authorized to:
 - (a) Temporarily or permanently acquire by lease, purchase, or other means sites required for installation of temporary housing units or emergency shelters for disaster victims; and
 - (b) Enter into arrangements necessary to prepare or equip the site to use the housing units or shelters, including arrangements for the purchase of temporary housing units or shelters and the payment of transportation charges.
18. That failure to comply with any of the provisions of this Order constitutes an imminent threat to public health.
19. Pursuant to Section 418.173, Government Code, and pursuant to the Governor's Executive Order GA-18, failure to comply with this Order is an offense punishable by a fine not to exceed \$1,000.
20. That any violation of this Resolution, Declaration and Order can be enjoined by Taylor County by a suit filed in a court of competent jurisdiction, and this remedy shall be in addition to any penal provision in this Resolution.

22. All provisions of this Resolution, Declaration and Order should be interpreted to effectuate its intent.
23. That this Declaration and Order is effective at 11:59 p.m. on May 26, 2020, and continues in effect until 11:59 p.m. on June 25, 2020, unless otherwise terminated or extended.
24. That the terms and provisions of this Resolution, Declaration and Order shall be deemed to be severable and that if any section, subsection, sentence, clause, phrase or word herein shall be declared to be invalid or unconstitutional, the same shall not affect the validity or constitutionality of any other section, subsection, sentence, clause, phrase or word herein, and the remainder of this Resolution, Declaration and Order shall continue in full force and effect the same as if such invalid or unconstitutional provision had never been a part hereof.
